

Caravan Insurance Repairs

Northern RV Services operates a large Caravan insurance repair workshop and Service Centre in the heart of the Caravan Manufacturing sector in Campbellfield Melbourne. Our staff are fully trained tradesmen who can make an informed assessment and provide a quotation for your nominated insurance company.

What to do for insurance repairs

1. Obtain a claim No from your insurance company.
2. Book your Caravan in for an insurance repair claim quotation with Northern RV Services.
3. Northern RV Services will provide your insurance company with the quotation for the repairs.
4. Once your claim has been assessed and approved, repairs can commence.
5. Your pride and joy will be brought back to as good as new with peace of mind knowing that the repairs were performed by quality skilled tradesmen.
6. Collect your Caravan and get back to living the dream.

Northern RV Services can repair all major brands including imported Caravans and liaise with the insurance company to get you back on the road as quickly as possible.

Northern RV Services have qualified Cabinet Makers, Welders, Mechanics, Electricians, Plumbers, Gas Fitters, Caravan repairers all in one location at 29-33 Freight Drive, Somerton, off Cooper St. Would you trust your car to someone who is not a mechanic, then why trust the insurance repair on your caravan to someone who is not qualified.
